Dear Parents/Caregivers,

Assalamu 'alaikum wa rahmatullahi wa barakaatuhu

Rural Aid Fundraiser

The Student Representative Council at Al Noori Muslim School is very active and is an important part of our school. We held a special rain prayer at school to coincide with the visit from Wayne Thomson (Rural Aid) who gave us a glimpse of the diverse hardships our farmers are facing daily. The challenge as young Australians was to stand in solidarity to support our rural communities.

On **Thursday, 6th of September**, the SRC held a *Drought Awareness Campaign and Fundraiser* to support our NSW farmers. On this day K-6 students were encouraged to dress in bush themed attire and donate generously to this cause.

Their ability to motivate and inspire fellow students to share and strive with them for this common goal resulted in \$20, 000 being collected within just a few days.

Their piety, wisdom and confidence in their ability to contribute positively to the wider community helps develop them as future leaders. Congratulations to our students, parents and teachers. With your generous support, we can always make a difference.

Mr Wayne Thompson from Rural Aid visited our school again on Thursday the 20th of September and met with members of the SRC, executive staff, the school principal and the school chairman. The funds raised were presented to Mr Thompson and inshallah we will soon hear about how our contributions have helped farmers. We look forward to sharing this information with you in an upcoming newsletter.
