AL NOORI MUSLIM SCHOOL

Statement of commitment to Child Safety

Al Noori Muslim School has developed the following Statement of Commitment to Child Safety as an overarching statement that provides key elements of our approach to protecting children and young people from abuse and sets the tone for the School's entire Child Protection Program.

It is designed to be Al Noori Muslim School's public statement of commitment to child safety and a demonstration of the School's leaders' commitment to champion child safety in our School.

It has also been approved and endorsed by the School Board and is regularly reviewed by the Board at least annually.

The Statement is published on our school website as well as communicated through other mediums such as our annual report and in induction and welcome packs for School Board members, staff members, Direct Contact Volunteers and Direct Contact Contractors.

Responsibilities

The School acknowledges that child protection is everyone's responsibility.

At Al Noori Muslim School, all members of the School Board, staff members, Volunteers, Third Party Contractors and External Education Providers have a shared responsibility for contributing to the safety and protection of children and young people. Specific responsibilities for each group of the School community are further explained in the Who is Responsible for Child Protection section of our Child Protection Program.

Reporting Child Protection Concerns

Our Child Protection Program provides detailed guidance for all members of the School community as to how to identify key risk indicators of child abuse and how to report child abuse concerns to one of our School's nominated Child Protection Investigators. It also contains detailed procedures with respect to the reporting of child abuse incidents to relevant external authorities.

Staff, Volunteers, Third Party Contractors, External Education Providers, students, parents/carers, or other community members who have concerns that a child or young person may be subject to abuse are asked to contact one of the School's Child Protection Investigators.

Communications will be treated confidentially on a 'need to know basis'.

Whenever there are concerns that a child is in immediate danger the Police should be called on 000.
